

# Unstoppable God

## Elevation Worship

A# Cm G#

### VERSE 1

A# Cm G#                      A# Cm              G#  
Heaven thundered,              and the world was born  
A# Cm G#                      A# Cm              G#  
Faith commanded,              and the mountains moved  
A# Cm G#                      A#              Cm              G#  
Life begins and ends, in the dust You formed  
A# Cm G#                      A#              Cm              G#  
Fear is losing ground, to our hope in You

### CHORUS

D#                      Fm  
Unstoppable God  
                         Cm              G#  
Let Your glory go on and on  
D#                      Fm  
Impossible things  
                         Cm              G#  
In Your name they shall be done

### VERSE 2

A# Cm G#                      A# Cm              G#  
Freedom conquered,              all our chains undone  
A# Cm G#                      A#              Cm G#  
Sin defeated, Jesus is              overcome  
A# Cm G#                      A# Cm              G#  
Mercy triumphed              when the third day dawned  
A# Cm G#                      A#              Cm              G#  
Darkness was denied, when the stone was gone

### BRIDGE

D#                      D#/G              G#  
Nothing shall be impossible  
                         A#              Cm  
Your kingdom reigns unstoppable  
                         D#              G#  
We'll shout Your praise forevermore  
Jesus our God unstoppable
