

# When my heart became aware

Sean Feucht

Verse 1      A            E  
One thing I ask  
          A            E            A            C#m7 B  
That's what I seek, that I may dwell in Your house  
          A            E            A            E  
All of my days, I'll stand amazed  
          A            C#m7 B  
Your glory is staggering

Chorus      A  
Oh just to gaze,  
          C#m    B            A            E  
on Your beauty Lord  
          B            A  
I was made,  
          C#m    B            A  
to be in this moment right now  
          E B

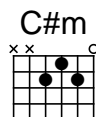

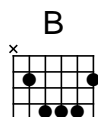

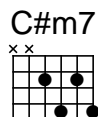

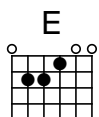

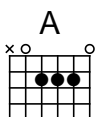

Verse 2      A            E  
My lasting request  
          A            E  
Is to know Your heart  
          A            C#m7 B  
Like no man has ever known  
          A            E            A            E  
Into the depth, where I lose all regret  
          A            C#m7            B  
Perfectly lost in Your love

-> Chorus x2

Bridge      C#m            A  
Take me back  
          E            B  
To where it all started  
          C#m            A            E            B  
To the things we did at first  
          C#m            A            E            B  
Bring me close so I can remember  
          C#m            A            E B  
When my heart became aware

Repeat Bridge

Tag            C#m            A            E B
