One thing I ask

All of my days, I'll stand amazed

Your glory is staggering

My lasting request  
                 *B*            *F#*  
Is to know Your heart

Like no man has ever known  
                 *B*            *F#*                   *B*            *F#*  
Into the depth, where I lose all regret

Perfectly lost in Your love

-> Chorus x2
