

# When my heart became aware

Sean Feucht

Verse 1      A#            F  
One thing I ask  
             A#            F            A#            Dm7    C  
That's what I seek, that I may dwell in Your house  
A#            F    A#            F  
All of my days, I'll stand amazed  
             A#            Dm7    C  
Your glory is staggering

Chorus      A#  
Oh just to gaze,  
Dm    C    A#    F  
on Your beauty Lord  
C    A#  
I was made,  
Dm    C            A#  
to be in this moment right now  
F C

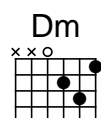

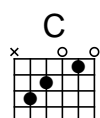

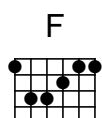

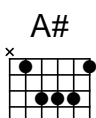

Verse 2      A#            F  
My lasting request  
             A#            F  
Is to know Your heart  
             A#            Dm7 C  
Like no man has ever known  
A#            F            A#            F  
Into the depth, where I lose all regret  
A#            Dm7            C  
Perfectly lost in Your love

-> Chorus x2

Bridge      Dm            A#  
Take me back  
             F            C  
To where it all started  
Dm            A#            F    C  
To the things we did at first  
Dm            A#            F    C  
Bring me close so I can remember  
             Dm            A#            F C  
When my heart became aware

Repeat Bridge
